

## Can you find the Golden Tickets?

To celebrate the Shelburne Community School Readathon, the reading fairies have hidden 9 golden tickets inside SCS and around Shelburne.

You will be able to find the golden tickets using only your eyes—you should do not have to move or touch anything to locate a ticket!

Please do not touch the ticket. Kindly leave it in place so others can find it.

Write down each ticket's location on the following page. Then return your completed sheet to the front office by **Friday, March 6** to receive a special prize!

Here are some clues to help you. Happy hunting!

"DISCOVER THE WORLD OF READING"

**A RIDDLE TO HELP...****THE TICKET IS...**

In this school where stories soar,  
Seek the spot you can explore.  
A golden ticket's tucked away,  
Where imaginations blast off every day.

By the doors where people meet,  
And friends and teachers often greet,  
Take a peek and have some fun—  
A golden ticket waits for one!

Into the village we go!  
Turn a page,  
Check a shelf.  
The world of reading reveals itself.

With jars of candy all around,  
Sugary treasures can be found.  
Bells may ring and floors may creak—  
The Golden Ticket is yours to seek!

Where muffins sit and hot drinks delight,  
A golden ticket hides from sight.  
Not in your cup, but near a nook.  
Take a peek, come have a look!

Yummy treats and baked delights,  
A Vermont gem for all appetites.  
Peek behind the croissants and pie,  
A golden ticket is hidden nearby!

After school we walk this way,  
To where the soccer players play.  
Slow your steps and look around,  
A golden ticket will be found.

When smiles grow wide and worries melt,  
A chilly joy is always felt.  
Search where happiness is scooped with care,  
Your golden ticket will be waiting there.

Where stories come alive and pigs might fly,  
Imagination passes by.  
Browse the shelves where dreams begin,  
Your golden ticket is tucked within.
